Overall, how would you rate your real estate transaction with Steve & Nick Archer?

Nick did more than expected to make the transaction a positive one. There were some bumps on the seller's side + Nick did a lot to compensate. He found creative ways to gain access for us into the bldg when we hadn't even closed. He spent a lot of time explaining the process specific to condo conversions. He was flexible to meet with us several times throughout the process and followed up on our behalf with the seller several times. Great attitude
